

ACTIVITY EXAMPLE

TO DO:

Help Cinderella make a timer to count 20 seconds exactly before midnight.

Resources!
Be inventive

Straw to direct
the sand

Funnel for
the sand

Our timer!

20 seconds

Work in together and help each other.

TIP: Think about how to slow the sand or water. How can you time it?

TAKE CARE:

In all of these activities please make sure you are working safely. Please have fun but supervise your children to make sure your environment is safe and you take care with any craft equipment or materials you are using. Engineers and Scientists always do!
