## Member Representatives

If you have a question or a pension issue you'd like to raise that can't be resolved by the Pension Scheme Administrator, please feel free to contact any of the Member Representatives as listed over the next few pages at your site (or previous site if you are a deferred member).

Member Representatives:

- > Provide a formal channel through which matters of particular interest or concern to both in-service and deferred members (members who have left service) can be raised;
- > Are actively involved in improving communication links between you, BAE Systems and the Pension Scheme Administrators;
- > Are available to you to help answer factual questions about the Scheme and pensions in general (without giving advice);
- > Take the lead in signposting you to the right information or right contact.

## Other places to go for helpful pension information

The BAE Systems pensions website ([baesystems.com/pensions](http://baesystems.com/pensions)) holds general details about the Scheme and is available to signpost members to more specific information if required.

If you are a Level 100+ member or pay Additional Voluntary Contributions, you can contact Scottish Widows for more information using the details in the table on the left hand side of this page.

Remember there are also many independent sources of information that you can draw upon including:

[moneyhelper.org.uk](http://moneyhelper.org.uk) has been set up by the Government to bring together the financial guidance services that were previously provided by the Money Advice Service, the Pensions Advisory Service and Pensions Wise.

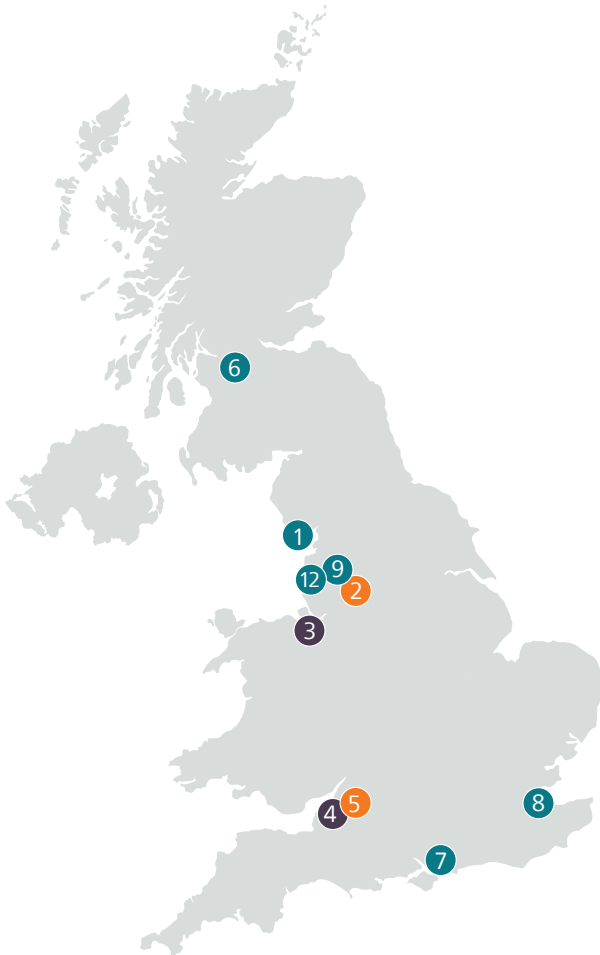

MoneyHelper provides guidance on a wide range of financial matters. The site contains a number of useful guides with the intention of improving overall financial well-being.

**Independent Financial Advice:** Member Representatives are not authorised to provide financial advice and for this you need to contact an Independent Financial Adviser (IFA). To find an IFA in your local area you can visit: [directory.moneyhelper.org.uk](http://directory.moneyhelper.org.uk) or [unbiased.co.uk](http://unbiased.co.uk)
