

Survivor Post Mount Seat 2000

baesystems.com

Equipped with the latest safety features, the SPM 2000 mine blast seat is a rugged, modular, and battle-ready seat. The SPM 2000 mine blast seat is equipped with a re-settable energy absorber and 5-point restraint.

This seat is suitable for any post mount vehicle application and tested for use in a variety of environments.

SPM 2000 has fold-and-stow capability, and features a range of recline positions for both comfort and emergency egress. The built-in fore/aft adjustment also aids in operator positioning for optimum control of the vehicle. Available in left-hand and right-hand mount positions, this is the ultimate post mount crew seat.

Features

- Fold over seat-back
- 5-point restraint
- Meets Federal Motor Vehicle Safety Standard-207/210
- Meets flammability requirements of FMVSS302
- Chemical Agent Resistant Coating (CARC) paint

Maximize space by folding and stowing against vehicle wall
