*You stand out from the crowd.*

*We're always on the look out for others who stand out from the crowd. People like you.*

*Referring people you know for jobs at BAE Systems is easy. Better yet, you may be rewarded for your referrals.*

*If you know someone you would like to refer or if you would like to learn more about the scheme, please contact the Recruitment team ([careers\\_australia@baesystems.com.au](mailto:careers_australia@baesystems.com.au)) or visit the @Work intranet. All referrals and enquiries are welcome.*

*Cheers,*
