Any costs arising from or relating to removal of Vendor's employee shall be borne solely by Vendor and not charged to this Contract. - h) Unless otherwise specified in this Contract, Vendor shall be responsible for supplying all tools and equipment necessary to perform the Services under this Contract.
- i) All Vendor personnel, property, and vehicles entering or leaving BAE Systems' or Customer's premises are subject to monitoring, reviewing, and or being searched, including but not limited to any devices such as laptops, tablets, cameras, and mobile phones. 14. DISPUTES/JURY WAIVER

- a) BAE Systems and Vendor agree to timely notify each other of any claim, dispute, or cause of action arising from or relating to this Contract, and to negotiate in good faith to resolve any such claim, dispute, or cause of action. To the extent that such negotiations fail, BAE SYSTEMS AND VENDOR AGREE THAT ANY LAWSUIT OR CAUSE OF ACTION ARISING FROM OR RELATING TO THIS CONTRACT SHALL BE FILED WITH AND LITIGATED ONLY IN A COURT OF COMPETENT JURISDICTION WITHIN THE STATE FROM WHICH THIS CONTRACT WAS ISSUED. IN ADDITION, BAE SYSTEMS AND VENDOR EACH HEREBY CONSENT AND AGREE TO THE PERSONAL JURISDICTION AND VENUE OF ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION LOCATED WITHIN THE STATE FROM WHICH THIS CONTRACT WAS ISSUED WITH RESPECT TO ANY SUCH CLAIM, DISPUTE OR CAUSE OF ACTION AND WAIVE ANY DEFENSE OR OBJECTION TO THE EXERCISE OF PERSONAL JURISDICTION OR VENUE BY ANY SUCH COURT. 15. TERMINATION

- a) Termination for Convenience.
 - i. At any time from and after thirty (30) Days from the Effective Date, by written notice to Vendor, BAE Systems may terminate this Contract for its convenience with immediate effect, in whole or in part including any Statement of Work, if the BAE Systems' Procurement Representative determines that it is in BAE Systems' best interest. BAE Systems' notice of termination will specify the extent of termination and the effective date.
 - ii. Upon receipt of notice of termination for convenience under subsection (i) above, Vendor shall immediately: (A) cease performing the Services; (B) prepare and submit to BAE Systems an itemization of all completed and partially completed deliverables and Services in accordance with subsection (iii) below (a "Termination Claim"); and (C) deliver to BAE Systems deliverables satisfactorily completed up to the date of termination at the agreed upon prices in this Contract. If Vendor does not submit a Termination Claim within sixty (60) days of the effective date of the termination, BAE Systems has no liability to Vendor for any termination claims.
 - iii. The Termination Claim will set forth, and BAE Systems' obligation to pay Vendor shall be limited to the following: (A) a percentage of the price reflecting the percentage of the Services performed in accordance with the Contract prior

to the notice of termination, plus (B) reasonable charges that Vendor can demonstrate to the satisfaction of BAE Systems, using generally accepted accounting principles, have resulted from the termination. BAE Systems is not liable for lost or anticipated profits, unabsorbed indirect costs or overhead, or any sum in excess of the total Contract price. Vendor shall use reasonable efforts to mitigate the costs resulting from termination. Vendor shall not be paid for any Services performed or costs incurred which reasonably could have been avoided. Vendor shall continue Services not terminated.

- b) Termination for Default. BAE Systems may terminate this Contract completely or in part by written notice to Vendor in any of the following circumstances:
- i. If Vendor fails to perform the Services required by this Contract within the time specified herein, or any extension thereof granted by BAE Systems in writing;
 - ii. If Vendor fails to perform any material provision of this Contract or fails to make progress so as to endanger performance of this Contract, and if in either of these two circumstances, Vendor does not cure such failure within a period of eight (8) Days after receipt of written notice from BAE Systems specifying such failure;
 - iii. If Vendor fails to perform any material provision of other contracts issued by BAE Systems and such default causes BAE Systems to terminate those other contracts;
 - iv. Vendor files or declares bankruptcy; or
 - v. In the event of suspension of Vendor's business, insolvency, liquidation proceedings by or against Vendor, appointment of a trustee or receiver for Vendor's property or business, or any assignment, reorganization or arrangement by Vendor for the benefit of creditors.
- c) If after notice of termination for default, it is determined for any reason that Vendor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the notice of termination had been issued for convenience pursuant to the Termination for Convenience subsection hereof.
- d) If BAE Systems terminates this Contract completely or in part, it may acquire services, similar to those terminated under terms and in the manner, BAE Systems considers appropriate, and Vendor will be liable to BAE Systems for any excess costs for those services. However, Vendor shall continue the Services not terminated.
- e) In the event of termination by BAE Systems, BAE Systems may require Vendor to transfer title and deliver to BAE Systems in the manner and to the extent directed by BAE Systems any materials, parts, tools, plans, drawings, information, and contract rights that Vendor has produced or acquired for the performance of this Contract, including the assignment to BAE Systems of Vendor's subcontracts supporting this Contract. Furthermore, Vendor shall protect and preserve any property in Vendor's possession in which BAE Systems or its Customer has an interest.
- f) Payment for Services performed and accepted by BAE Systems prior to termination shall be at the Contract price. Payment for the protection and preservation of property will be at a price determined in the same manner as provided in the Termination for Convenience subsection hereof except that Vendor shall not be entitled to profit. - b) Vendor agrees to secure releases and waivers of lien in favor of BAE Systems from Vendor's suppliers and subcontractors coincident with Vendor's final payments to them. In the event any of Vendor's suppliers or subcontractors assert a mechanics lien, or any other labor or material lien, against any property owned by or in the care, custody or control of BAE Systems, BAE Systems at its election may immediately satisfy such lien and charge all amounts (including reasonable attorney's fees) associated with satisfying such lien to Vendor and/or offset such amounts against payments owed to Vendor.

43. FAILURE TO PERFORM

- a) Except for defaults of subcontractors at any tier or labor shortages, neither party shall be liable for any excess costs if the failure to perform the Services under the Contract is due to fires, floods, strikes, lockouts, epidemics, pandemics, accidents, or other causes beyond the reasonable control of the non-performing party.
