### Approved CARC Painter List – Reduction Notice

February 18, 2025

To Our Valued Suppliers:

BAE Systems has made the decision to reduce our Approved CARC Painter list as part of our ongoing efforts to improve quality and performance. This change is aimed at enhancing our customer relations by providing a more consistent and high-quality experience.

We will do our best to ensure a smooth transition of any outstanding matters and complete any outstanding tasks. To support this transition, a 90-day window has been set to give BAE Suppliers time to move all product currently being painted with Painters being removed from the Approved Painter list to another location. **The updated list will be posted on May 23, 2025.**

The Supplier's being removed from the Approved CARC Painter list are:
