

# CDR015 Part Submission Form Review Notification

Reference: BMS095871

**Official notification of Control Test Review by BAE Systems, CMS as required by CDR015**

**\*The Supplier shall notify the BAE Systems Authorized Purchasing Representative of the Projected test schedule and any changes as they occur.**

1. Supplier completes control test as required in the Technical Data Package (TDP) attached to the Purchase Order Configuration and Quality Requirements (CQR) sheet.
2. Supplier is responsible for completing testing per the specified schedule/sampling plan.
3. Prior to each shipment the supplier shall submit a copy of this form.
4. **Section A** - Supplier shall complete and submit the form to BAE Systems P&S per the instructions specified in CDR015 and SQAM paragraph 8.12 with Form 092245.
5. **Section B** - Just add a new shipment to the same form to track PO history with multiple shipments. The Projected Delivery Date will need to be updated for each shipment.
6. **Section C** - Upon review the **BAE SQE or Analyst will sign** and send the completed form to the supplier as Objective Quality Evidence (OQE) to the e-mail address provided by the supplier.
7. **Shipments** - Supplier may ship product upon receipt of the signed BAE review (**Section C**)
