Quality Notification

## Recipients of Proprietary Information - Transferred Welding Procedure Specifications September 11th, 2025

### To our Valued Suppliers:

BAE Systems, Inc. is providing this notification regarding the acceptance, handling, and distribution of BAE Systems Welding Procedure Specifications (WPS).

All of BAE Systems, Inc. Welding Procedure Specifications (WPS) are proprietary and shall not be modified, edited, or tampered with in any way, except when explicit written authorization from BAE Systems is provided. BAE Systems retains all rights to these documents, including the right to revise and reissue them as necessary. If a deviation and/or modification of the WPS and the information contained within is necessary, a VIR shall be submitted and approved prior to execution.

As a reminder, these documents are classified as BAE Systems Proprietary Information and are marked with the following statement; (Recipient/Supplier); *By accepting this tangible media, including electronic or digital media, agrees that neither this tangible media, including electronic or digital media, nor the information disclosed herein nor any part thereof shall be reproduced or transferred to other tangible media, including any electronic media, or used or disclosed to others for any purpose except as specifically authorized in writing by BAE Systems.*
