

Quality Notification

The Acceptance of Previously Approved Weld/Braze Procedures

February 25th, 2025

To our Valued Suppliers:

BAE Systems, Inc. is providing a notification regarding The Acceptance of Previously Approved Weld/Braze Procedures that do not meet the specified requirements.

Please note, Weld/Braze procedures that were previously approved under CDR007 Welding/Brazing- Combat Vehicles and/or CDR008 Welding/Brazing- Weapon Systems that do not satisfy the current requirements, as required by the Contract, Drawing, Weld Code, and/or other applicable governing documents, will no longer be acceptable for use on future submittals.

All documentation submitted shall be in accordance with the specified code requirements. This includes all Supplier submitted Weld/Braze procedures and BAE Systems Weld Procedures, if applicable.

Questions can be directed to: stephanie.biltz@baesystems.us, as well as your BAE Systems Authorized Purchasing Representative.

Thank you all for your support!
