

Quality Notice

February 16th, 2023

To Our Valued Suppliers,

This notice is to inform you that effective as of **Monday, March 6th, 2023**, CDR007 Welding-Combat Vehicles and CDR008 Welding- Weapon Systems will be utilizing a common submittal process. This process change includes the following:

- Submittal of the BAE Systems CMS Supplier Weld/Braze Submission Form (located on the BAE Systems CMS Purchasing Website under the section 'Weld Forms')
- Electronically completed form and submittal of the form to the following mailbox SWPS.PAYK@baesystems.com

Suppliers **SHALL** reference the requirements listed in the CDR Manual for individual submittal requirements.

Welding/Brazing without an approved procedure **SHALL** be deemed a non-conformance and violation of the SQAM and CDR Manual requirements.

For all questions and/or clarifications needed regarding weld/braze drawing requirements, a Vendor Information Request (VIR) **SHALL** be submitted and attached to the Purchase Order **PRIOR** to BAE Systems proceeding with the review of the CDR007/CDR008 submittal.

Please contact Stephanie Biltz (Stephanie.Biltz@baesystems.com) with any questions and/or concerns you may have.
