- (c) If this Subcontract is terminated in whole or in part as provided in this section, Buyer may procure, upon such terms and in such manner as Buyer may deem appropriate, work similar to that terminated, and Seller shall be liable to Buyer for any incidental and also for direct damages (i.e., excess or re-procurement costs and consequential damages) incurred for such similar work.
- (d) If this Subcontract is terminated in whole or in part as provided in this section, Seller shall be compensated only for Work actually delivered and accepted. Buyer, however, may withhold from amounts otherwise due Seller such sum, as Buyer determines to be necessary, to protect Buyer against loss because of outstanding liens, claims of former lien holders, and/or damages incurred by Buyer. Buyer also may require Seller to deliver to Buyer any supplies and materials, manufacturing materials, and manufacturing drawings that Seller has produced or acquired for the terminated portion of this Subcontract. The Parties shall agree on the amount of payment for these other deliverables.

- (f) The rights and remedies of Buyer provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or in equity or under this Subcontract including, without limitation, cancellation of this Subcontract.

- (d) If Buyer incurs damages, costs, and expenses arising from Seller’s late delivery of a product or service, the Seller shall reimburse Buyer for the full amount of such damages, costs, and expenses within thirty (30) Days of receipt of reasonable substantiation of such damages from Buyer. For the purposes of this Contract, all such damages resulting from Seller’s late delivery are direct damages. Nothing in this section limits Buyers’ right to recover under this Contract, at law, or in equity.
- (e) In the event of a termination pursuant to the “Termination for Convenience” section of this Subcontract or a Buyer-directed change pursuant to the “Changes” section of this Subcontract, no claim shall be allowed for any manufacture or procurement in advance of Seller’s normal flow time unless Buyer has provided prior written consent.

TITLE AND RISK OF LOSS

Unless otherwise specified in this Subcontract, where applicable, title to any Work covered by this Subcontract shall pass to Buyer upon Buyer’s final acceptance of such Work, regardless of when or where Buyer takes physical possession. Risk of loss or damage to Work shall remain with Seller until: (a) delivery of Work to an authorized carrier, if delivery is F.O.B. Origin; or (b) final acceptance by Buyer or receipt of Work by Buyer at the destination specified in this Subcontract, whichever is later, if transportation is F.O.B. Destination, regardless of the point of inspection. Notwithstanding the above, the risk of loss or damage to Work that fails to conform, so as to give rise to Buyer’s right of rejection, shall remain with Seller until cure and final acceptance.

WAIVER, REVIEWS, APPROVALS, AND REMEDIES

- (a) Failure or delay by either Party to:
 - (1) insist on performance of any provision of this Subcontract;
 - (2) enforce any of the provisions of this Subcontract or applicable laws; or
 - (3) exercise any right or remedy available under this Subcontract

shall not constitute a waiver of such provisions, laws, rights, or remedies, or a waiver of the right of a Party thereafter to enforce such provisions or laws.

General Provisions and FAR Flowdowns

- (b) Buyer's review or approval of any Work hereunder, or of any designs, drawings, specifications, or documents prepared hereunder, shall not relieve Seller of any of its obligations under this Subcontract, nor excuse or constitute a waiver of any defects or nonconformities in any Work furnished under this Subcontract, nor change, modify, or otherwise affect any of the provisions of this Subcontract including, but not limited to, the prices, reliability, quality, rate of output, performance, and/or delivery schedules contained herein.
- (c) The rights and remedies of the Parties set forth in this Subcontract are cumulative and in addition to any other rights or remedies that they may have at law or in equity.

WARRANTY

- (a) Goods. Seller warrants that all goods furnished pursuant to this Subcontract shall strictly conform to applicable specifications, drawings, samples, descriptions, and other requirements of this Subcontract, shall be fit and sufficient for the purposes intended, and shall be free from defects in design (to the extent the Subcontract does not call for manufacture pursuant to designs furnished by Buyer), material, and workmanship. This warranty shall begin upon final acceptance by Buyer's Customer and extend for a period of one (1) year or for the standard warranty period provided by Seller, whichever is longer. Seller agrees to notify Buyer immediately upon becoming aware of a potential problem with goods previously delivered to Buyer. Such notification shall include a recommended course of action.
- (b) Services. Seller warrants that all services performed under this Subcontract shall be performed with the standard of a fully qualified professional, shall strictly conform to applicable specifications, drawings, samples, descriptions, and other requirements of this Subcontract, and shall be performed in strict compliance with any regulatory or international standards applicable to this Subcontract. Any services corrected or re-performed will be covered by this warranty.
- (c) If any nonconforming Work is identified within the warranty period, Seller, at Buyer's option, shall promptly repair, replace, or reperform such Work. Transportation of replacement Work, return of nonconforming Work, and reperformance of Work shall be at Seller's expense. If repair, replacement, or reperformance of Work is not timely, Buyer may elect to return, reperform, repair, replace, or reprocur the non-conforming Work at Seller's expense. All warranties run to Buyer and Buyer's Customer.
- (d) No inspection, test, or approval of any kind, including approval of designs, shall affect Seller's obligation under this section. Repaired, replaced, or reperformed Work shall be subject to the provisions of this section to the same extent as the original Work, except that the warranty shall run from the later of final acceptance by Buyer's Customer or the last delivery date.

WORK ON AND ACCESS TO BUYER'S PREMISES

- (a) The term "Premises," as used in this section, shall mean the premises of Buyer, its customers, or other third parties where Work under this Subcontract is performed.
- (b) Seller shall comply with all the rules and regulations regarding conduct, security, and safety established by Buyer or Buyer's Customer for access to and activities in and around the Premises. Seller agrees that any Seller employee that will access the Premises will execute, upon request, an access agreement permitting access to the Premises.
- (c) Government-issued assets (Badges, CAC Cards, etc.) are the property of the Government. Upon voluntary or involuntary termination, Seller shall surrender such assets to Buyer or Buyer's Customer. Possession and attempted use of such assets, or other credentials related to the Premises, after separation from the Work may be considered a security violation or violation of criminal law.
