When a clause uses a word or term that is defined in the FAR or DFARS, the word or term shall have the same meaning as in the definition in FAR 2.101 or DFARS 202.101 in effect on the date of this Contract unless (i) a different definition is expressly set forth in this Contract; or (ii) the part, subpart, or section of the FAR or DFARS where the clause is prescribed provides a different meaning; or (iii) the word or term is defined in FAR Part 31, for use in the cost principles and procedures. If the date or substance of any of the clauses listed below is different than the date or substance of the clause actually incorporated in the Prime Contract referenced by number herein, the date or substance of the clause incorporated by said Prime Contract shall apply instead. If a corresponding FAR and DFARS clause are referenced, the DFARS clause shall take precedence. The Contracts Disputes Act of 1978, as amended, shall have no application to this Contract. Any reference to “Disputes” clause shall mean the “Disputes/Jury Waiver” provision in BAEDOC USGOV documents.

A. GOVERNMENT SUBCONTRACT

This Contract is entered into by BAE SYSTEMS and VENDOR in support of a U.S. Government Contract.

As used in the clauses referenced below and otherwise in this Contract:

1. “Commercial Product” means a commercial product as defined in FAR 2.101 or DFARS 202.101.
2. “Contract” means this Contract.
3. “Contractor” means VENDOR, as defined in BAEDOC USGOV document, acting as the immediate (first-tier) subcontractor to BAE SYSTEMS.
4. “Prime Contract” means the contract between BAE SYSTEMS and the U.S. Government or between BAE SYSTEMS and its higher-tier contractor in support of a contract with the U.S. Government.
5. “Subcontract” means any contract placed by VENDOR or lower-tier subcontractors under this Contract. In all clauses listed herein, the terms “Government,” “Contracting Officer” and “Contractor” shall be revised to suitably identify the contracting parties herein and affect the proper intent of the clause or provision except where further clarified or modified below. However, the words “Government” and “Contracting Officer” do not change when 1) a right, act, authorization or obligation can be granted or performed only by the Government or prime contract Contracting Officer or duly authorized representative and/or when 2) title to property is to be transferred directly to the Government.

VENDOR shall incorporate, and require that each lower tier contractor supporting this Purchase Order incorporate, all applicable regulations in accordance with the flow down requirements specified in such clauses. If any of the following clauses do not apply to this Subcontract/Purchase Order, as defined in the respective FAR or DFARS provision, such clauses are considered to be self-deleting.

B. AMENDMENTS REQUIRED BY PRIME CONTRACT

VENDOR shall, at the request of BAE SYSTEMS, accept amendments to this Contract to incorporate additional clauses and provisions herein or to change clauses and provisions hereof, as BAE SYSTEMS may reasonably deem necessary in order to comply with the clauses and provisions of the applicable Prime Contract or with the clauses and provisions of amendments to such Prime Contract. If any such amendment to this Contract causes an increase or decrease in the price of, or the time required for, performance of any part of the Work under this Contract, an equitable adjustment shall be made pursuant to the “Contract Direction/Changes” clause of this Contract.

C. PRESERVATION OF THE GOVERNMENT’S RIGHTS

If BAE SYSTEMS furnishes designs, drawings, special tooling, equipment, engineering data or other technical or proprietary information (Furnished Items) to which the U.S. Government owns or has the right to authorize the use of, nothing herein shall be construed to mean that BAE SYSTEMS, acting on its own behalf, may modify or limit any rights the Government may have to authorize the VENDOR’s use of such Furnished Items in support of other U.S. Government prime contracts.
