

Quality Notice

February 16th, 2023

To Our Valued Suppliers,

This notice is to inform you that in the event that your BAE Systems Purchase Order specifies the following drawings in the Contract Quality Requirements (CQR):

- **12479550** Ground Combat Vehicle Welding Code- Steel
- **12472301** Ground Combat Vehicle Welding Code- Aluminum

Reference Revision A of the Weld Specifications for any current Purchase Orders that specify the above drawings.

Any current Purchase Orders with a different revision specified will be updated by BAE Systems Configuration Management and Purchasing. **This revision was placed on the Purchase Orders in error.**

The current revisions of the Weld Codes above are available on the BAE Systems CMS Purchasing Website under 'Weld Documents'.

Please contact Stephanie Biltz (Stephanie.Biltz@baesystems.com) and/or your BAE Systems Authorized Purchasing Representative with any questions and/or concerns you may have.
