

Delivery terms are **DAP (Delivered at Place) BAE SYSTEMS' facility named in the order** unless otherwise specified in the Purchase Order. Please use FedEx our BAE Corporate carrier or Ryder Logistics for shipments over 150 pounds.

GENERAL REQUIREMENTS

Refer to the Terms and Conditions attached to your order for instructions concerning the following:

- ✓ Bill of Lading must reference BAE Systems
- ✓ Packing List
- ✓ Packaging requirements
- ✓ BAE Systems PO number is required on all shipments.

GENERAL INSTRUCTIONS

If the terms of your order are different than stated in this document, contact the BAE Systems ES buyer for clarification or specific instructions.

Classified Material: Ship in accordance with the National Industrial Security Program Operating Manual (NISPO) requirements for safeguarding classified materials. See <http://www.fas.org/sgp/library/nispom.htm>

Hazardous Material: Ship in accordance with all applicable Department of Transportation (DOT) or International Air Transportation Association (IATA) regulations as they pertain to classifying, documenting, describing, packaging, labeling and marking of hazardous materials.
