## FREIGHT INSTRUCTIONS

When FCA is agreed upon, the supplier shall notify the forwarder according to the freight instruction given in the purchase order, the notification shall include all the necessary information for the forwarder to be able to handle and pick up the goods. If there are any problems to follow freight instructions or if there are any questions contact [shipping.hagglunds@baesystems.se](mailto:shipping.hagglunds@baesystems.se). The supplier shall also send a dispatch note to the above email address after the goods have been picked up.
