TO DO:
Create a bridge for the Three Billy Goats Gruff to cross the river.

Our bridge is multi-coloured to help cheer up the troll!

TIP: Think about how long the bridge can support Billy-Goat.

40cm gap to cross

TAKE CARE:
In all of these activities please make sure you are working safely. Please have fun but supervise your children to make sure your environment is safe and you take care with any craft equipment or materials you are using. Engineers and Scientists always do!
